## What it is is beautiful.

Have you ever seen anything like it? Not just what she's made, but how proud it's made her. It's a look you'll see whenever children build something all by themselves. No matter what they've created.

**Younger children build for fun.** LEGO® Universal Building Sets for children ages 3 to 7 have colorful bricks, wheels, and friendly LEGO people for lots and lots of fun.

**Older children build for realism.** LEGO Universal Building Sets for children 7-12 have more detailed pieces, like gears, rotors, and treaded tires for more realistic building. One set even has a motor.

LEGO Universal Building Sets will help your children discover something very, very special: themselves.

### Universal Building Sets

## "Look what I built with LEGO!"

And look at that look on her face. That's pride smiling!

The feeling of accomplishment children get from building with LEGO® Brand Building Sets is something no child should miss. And something no parent should miss sharing.

LEGO bricks and pieces are beautifully crafted. They snap together to build anything a child can imagine. Snap apart to start all over again.

There are wheels to make things go, doors and shutters to open and close, LEGO people to grin right back at your child.

LEGO is a toy they never tire of, a toy that stimulates creativity and imagination for years.

What more could you ask of a toy?
